The Colony to which he or she was accredited shall elect a new Lieutenant Governor within thirty days after such vacancy. The procedure outlined in Article V, Sec. 11, will then be followed.

Sec. 8. (a) The Board of Assistants shall, at their January meeting in each election year, appoint a committee consisting of seven members of the Society, and which must include two members of the Board of Assistants and not fewer than one member of each Colony to be called the Nominating Committee, whose duty it shall be to select one or more candidates for each office, including the Assistants, to be filled at the ensuing Annual Meeting, and to report to the Corresponding Secretary at least two weeks before the Annual Meeting the names so selected.

(b) Candidates for Lieutenant Governor and for the Assistant from each Colony shall not be selected by the Nominating Committee but shall be chosen by the respective Colonies.

Sec. 9. The Board of Assistants shall fix the hour and place for the Annual Meeting.

Sec. 10. The Board of Assistants shall have power to remove any State Officer for cause; provided, however, that such State Officer shall, upon reasonable notice, be allowed to appear before the Board of Assistants in his own defense.

Sec. 11. (a) When a new Colony is fully organized the name of its duly elected Lieutenant Governor will be forwarded to the Recording Secretary who shall notify the Board of Assistants, at its next meeting, of the Colony's choice.

(b) The Board of Assistants will then recognize the new Lieutenant Governor as a member of the Board until his or her term expires.

ARTICLE VI.—MEMBERSHIP

Section 1. Every application for membership in this Society shall be made on a preliminary application blank provided for that purpose by the Recording Secretary of the Society. Such application shall bear the autograph signature of the candidate and two members of the Society, the name of the Mayflower ancestor through whom eligibility is claimed, and such other statements as may be required.

Sec. 2. This preliminary blank when properly filled out must be forwarded to the State Recording Secretary, who will present it to the Board of Assistants for approval at the first meeting following its receipt.

Sec. 3. Any applicant for membership in this Society who shall make a request through the Historian for a copy of any lineage paper

shall be furnished the same upon payment of a fee of \$1.00. Copies of documentary proof may, however, be furnished on payment of such charges as the Historian General may determine, said fees to be paid to the General Society through the State Treasurer to the Historian General.

Sec. 4. (a) After the preliminary application has been approved, blank lineage papers in duplicate shall be furnished the applicant by the Historian. These blanks must be filled in by the applicant with the detailed line of descent from a Mayflower ancestor and must be signed by the applicant and attested before an officer authorized to administer oaths. The correctness of the lineage shall be proven by full reference to authorities cited, giving the complete title of the work, volume and page; when the reference is to a rare volume or to an unpublished public or private record or to a manuscript, certified copies in duplicate of the pertinent parts thereof shall accompany the lineage papers.

(b) The Historian may demand such further proofs as are deemed necessary.

Sec. 5. (a) After completion of the lineage papers by the applicant, they, together with the entrance fee of \$7.00 and the dues for the current year, \$6.00 shall be returned to the Historian, who shall forward the fees and dues to the Treasurer, except if a Junior member shall, between the age of eighteen years and twenty-five years, make application for active membership in the Society, the entrance fee of \$7.00 shall be waived, and no entrance fee shall be required from such applicant.

(b) If the lineage papers are not filled out in duplicate and filed with the Historian within nine months after the approval of the preliminary application, such approval shall become void. An Extension of time may be granted, however, at the option of the Board of Assistants.

Sec. 6. The Historian shall examine the two lineage papers, and if they are found to be correct, shall sign and send them to the Historian General. After receiving the signed approval of the Historian General, the Historian shall present the papers at the next meeting of the Board of Assistants, whose members shall vote on the candidate by secret ballot. Two negative votes shall exclude the candidate.

Sec. 7. After the election of the candidate the Recording Secretary shall sign the lineage papers and the Historian shall affix the state number. The Historian shall then return one of these papers to the Historian General, who will issue to the Recording Secretary the General Society number. This number shall be forwarded to the Historian who will affix it to the duplicate lineage paper before filing.

Sec. 8. Any member may hold membership in more than one State Society, and, if so, shall be eligible to represent such State Societies as a delegate to a General Congress.

Sec. 9. No person shall be a member of a Colony who is not a member in good standing of the State Society. And no person shall be a member of a State Society until his or her line of descent shall have been approved by the Historian General; provided, however, that if an irreconcilable difference of opinion shall exist between the Historian

and the Historian General as to the eligibility of an applicant for membership, such applicant may take an appeal to the General Board of Assistants, whose decision shall be final.

Sec. 10. Any member whose annual dues remain unpaid for one year, may, after due notice, be suspended from the roll of membership, at the discretion of the Board of Assistants.

Sec. 11. Any member, for cause or conduct prejudicial to the interests of the Society, may be suspended or expelled by a two-thirds vote of the Board of Assistants. No member shall be suspended or expelled unless written charges against such member shall have been presented to the Board of Assistants, who shall give him reasonable opportunity to be heard and to refute such charges.

Sec. 12. Resignations shall be sent in writing to the Recording Secretary, who shall submit them to the Board of Assistants at their next meeting. Such resignation may be accepted by the Board only upon receipt of a statement from the Treasurer that the member's dues are paid to date.

Sec. 13. (a) Any member who has resigned while in good standing, may be reinstated by the Board of Assistants upon a request in writing from such member, accompanied by his or her dues for the current year.

(b) Any member who has been suspended for non-payment of dues may be reinstated by the Board of Assistants upon a request in writing from such member, accompanied by the dues for the year in which the member was dropped and the dues for the current year.

ARTICLE VII.—COLONIES

Section 1. The Board of Assistants may at any time authorize the formation of a Colony, whenever ten or more members of this Society, in good standing, shall sign a request for a charter for such Colony and file it with the Recording Secretary. The name of such new Colony shall be in form: "The_____ Colony of The Society of Mayflower Descendants in the State of Ohio."

Sec. 2. Such Colony, after its formation shall have been authorized by the Board of Assistants, shall elect a Lieutenant Governor, a Secretary, a Treasurer, and an Historian, who shall constitute the Executive Committee: other officers may be added at the discretion of the Colony. The Lieutenant Governor shall present a written report of the activities of the Colony at the Annual Meeting of the Society, and shall upon request furnish the Board of Assistants with information concerning the Colony.

Sec. 3. Colonies may adopt such regulations and by-laws as they may deem proper, provided that such regulations and by-laws do not conflict with either the Constitution of the General Society or the State Society.

Sec. 4. No Colony shall have power to involve the State Society in any pecuniary or other obligation.

Sec. 5. If the applicants to whom a charter may be granted do not meet and organize a Colony within three months after the granting of the charter, such grant shall become void.

Sec. 6. Each Colony shall annually transmit to the Recording Secretary not later than January 10, a statement giving the number of its members and any matters of interest in its history; and also make any suggestion which it may deem profitable for the Society to consider.

ARTICLE VIII.—DUES

Sec. 1. The entrance fee to the Society shall be \$7.00 payable when completed lineage papers are returned to the Historian, except for Junior members between the ages of eighteen years and twenty-five years from whom no entrance fees shall be required.

Sec. 2. Annual dues of each member shall be \$6.00, payable in advance on the first day of November of each year.

Sec. 3. The payment of dues by a member elected during the period from April to October inclusive shall continue his membership until October 31st of the next calendar year.

Sec. 4. The payment at one time of \$100.00 shall constitute a life membership and shall exempt the member so paying from annual dues but not from per capita assessment.

ARTICLE IX.—TRANSFERS

Section 1. A member of any State Society may be transferred to another State Society upon written application of such member to the State Society to which transfer is desired.

Sec. 2. If the application is acted upon favorably, the applicant, if entitled thereto, shall be granted a certificate of good standing forthwith and a copy of his or her lineage papers from the Historian of the State Society from which the applicant desires to be transferred, and shall file the same with the Historian of the State Society to which transfer is requested, whereupon the latter State Society shall accept such transferred member, making arrangements as to the entrance fees and current dues as it may deem equitable, and shall assign a state number to said member, the general number to remain the same as before the transfer. The Secretary of the State Society to which the member is transferred shall, within five days, notify the Historian General of such transfer, together with the date of election and the new state number assigned to such member.

Sec. 3. The State Society from which the transfer is made shall make no charge for the certificate of good standing but may charge a fee of \$1.00 for the copy of the member's lineage paper. Documentary proof shall be furnished at the clerical cost of the same.

Sec. 4. A former member of a State Society may be reinstated in said State Society by complying with such provisions governing like cases, as said State Society may have established. But any former member who is reinstated, or who becomes a member of any other State Society shall in every case retain the general number originally assigned by the Historian General.

Sec. 5. Should such former member become a member of a State Society other than the State Society of which he or she was originally a member, the Secretary of such State Society shall within five days notify the Historian General of the date of election and of the new State Society number assigned to such member.

ARTICLE X.—PERMANENT FUND

Section 1. There shall be a Permanent Fund, which shall consist of the funds now invested, and of additions thereto made as hereinafter provided; the principal thereof to be administered by the Board of Assistants and the income disposed of at its discretion.

Sec. 2. The Permanent Fund shall be invested only in Government Bonds of the United States of America.

Sec. 3. All sums received for life memberships, also all donations and legacies unless otherwise specified by the donor, shall be added to the Permanent Fund together with such other sums as the Board of Assistants may appropriate for that purpose.

Sec. 4. None of the principal of the Permanent Fund shall be expended for any purpose until a resolution authorizing such expenditure shall have passed the approval of the Board of Assistants and adopted by the Society in the same form and manner in which amendments to this Constitution may be made.

ARTICLE XI.—SEAL

The Seal of the Society shall contain a representation of a sailing vessel of the seventeenth century and around it the words and figures following: "Society of Mayflower Descendants, Plymouth, 1620; Ohio, 1898."

ARTICLE XII.—INSIGNIA

Section 1. There shall be a certificate, insignia, rosette and flag, as selected and approved by the General Society.

Sec. 2. These shall be the same for all the Colonies, the certificates being issued by the officers of the General Society, and countersigned by the officers of the State Society.

ARTICLE XIII.—SOCIETY FLAG

The flag of the Society shall be the British Jack of the Seventeenth Century, that is to say, a blue field with a white saltire, known as the cross of St. Andrew on which is superimposed a red cross, fimbriated white, known as the cross of St. George, the whole charged in the center with the Seal of the Society. The flag is to be edged with golden fringe. The pike is to be surmounted by a spear-head. A golden cord and tassels may be suspended from the summit of the pike. The material of the flag shall be silk. The flag shall be displayed only when accompanied by the flag of the United States of America of approximately the same dimensions, the pike to be surmounted by an eagle.

ARTICLE XIV.—STATIONERY

Stationery of the Society shall be used only by officers or duly appointed committees of the Society, respectively; and only for the transaction of official business, nor shall the name of either the General Society, or that of a State Society, or any part of their official die, or device, be used other than for official business. No advertising other than that relating to activities of the Society shall appear on official stationery.

ARTICLE XV.—ASSESSMENTS

Any special assessment which may be voted only at the Annual Meeting of the Society, shall be on a per capita basis.

ARTICLE XVI.—AMENDMENTS

Amendments, alterations, and additions to the By-Laws may be made at any meeting of the Society by two-thirds vote of those present in person or by proxy. Such changes shall be effective immediately following adoption.

ARTICLE XVII.—FISCAL YEAR

The fiscal year of the Society shall end on the 30th day of April of each year.

ARTICLE XVIII.—JUNIOR MEMBERSHIP

Section 1. There is hereby established a Junior membership to which all persons under eighteen years of age and who are descended from a passenger aboard the Mayflower on the voyage which terminated at Plymouth, New England, in December, 1620, shall be eligible; and provided further that such applicant shall have a blood relative of the same lineage holding membership in the Society of Mayflower Descendants in the State of Ohio.

Sec. 2. The fee for Junior membership shall be One (\$1.00) Dollar. There shall be no annual dues.

Sec. 3. All applicants for Junior Membership shall be recommended by a member, in good standing, of the Society of Mayflower Descendants in the State of Ohio. Application blanks, after being filled out and signed by the recommending member and the Lieutenant Governor of the Colony, shall be sent, with the fee of \$1.00 attached, to the Recording Secretary who will make a proper record and forward to the Treasurer who will issue a certificate of membership to the Junior member.

Sec. 4. Upon attaining the age of eighteen years, all Junior members may become active members of the Society of Mayflower Descendants in the State of Ohio by complying with the requirements of Article VI of these By-Laws; however, between the ages of eighteen years and twenty-five years, the payment of the entrance fee of \$7.00 shall be waived for such Junior members. If a Junior member does not make application for active membership before reaching the age of twenty-five years, then payment of the entrance fee of \$7.00 shall be required at the time of filing lineage papers. A Junior member wishing to become an active member may obtain a copy of the sponsor's lineage papers upon payment of \$1.00 to the State Historian. The Junior applicant shall then supply any additional information and proof necessary to complete the lineage for the applicant.

Sec. 5. All fees received for Junior Membership shall be held by the Treasurer in a separate fund to be expended only upon authority of the Board of Assistants or of the State Society for the purpose of promoting Junior membership.
